

| Key  | Qty. | Désignation / Description  | Ref               |
|------|------|--|-------------------|
|      | 1    | Wheel/connecting rod assy (D)  | <b>3071210024</b> |
| 701  | 1    | Ens Roue / Wheel assy  |                   |
| 700N | 1    | Ens Bielle / Connecting rod assembly                                     |                   |
| 701C | 1    | Ressort / Spring   |                   |
| 700K | 1    | Butée de frottement / Stop   |                   |
| 700B | 1    | Etrier / Yoke  |                   |
|      | 1    | Vis sans tête / Screw without head                                       |                   |
|      | 1    | Ens excentrique/vis de réglage(M) / Eccentric assy/worm shaft + weel (M) | <b>3071210002</b> |
| 700I | 1    | Excentrique male / Eccentric   |                   |
| 700G | 1    | Vis de réglage / Worm shaft + weel                                       |                   |
|      | 1    | Ens excentrique complet (H) / Eccentric assy (H)                         | <b>3071210031</b> |
|      | 1    | Ens bouton de réglage (E) / Hand adjust assembly (E)                     | <b>3071210037</b> |
| 700D | 1    | Bague de blocage / Hand adjust assembly                                  |                   |
| 700E | 2    | Demi-coquille / Half shell   |                   |
| 700P | 1    | Bouton de réglage / Control knob   |                   |
| 701B | 1    | Rondelle + vis / Washer + screw  |                   |
| 701E | 1    | Buète / Stop   |                   |
|      | 1    | Lot de joints + vis (F) / Set of seals + screw (F)                       | <b>3071210004</b> |
| 700J | 2    | Vis étrier / Screw   |                   |
| 700F | 1    | Joint de vis de réglage / Seal   |                   |
| 700C | 1    | Joint de couvercle / Cover seal  |                   |
| 700A | 1    | Joint moteur / Motor seal  |                   |
| 435  | 4    | Vis moteur / Motor screw   |                   |
| 434  | 4    | Rondelle pour vis moteur / Rondelle                                      |                   |
| 435A | 4    | Vis couvercle / Cover screw  |                   |
|      | 1    | Ens carter (N) / Housing assembly (N)                                    | <b>3071210006</b> |
| 700H | 1    | Socle / Base   | <b>70005</b>      |
| 700  | 1    | Carter / Housing   |                   |
| 700J | 3    | Vis socle carter / Base and housing screw                                |                   |
| 700U | 1    | Couvercle / Cover  |                   |
| 353  | 1    | Soufflet d'étanchéité / Oil seal   | <b>35330</b>      |
|      | 1    | Huile / Oil (0,25l)  | <b>3071210020</b> |
|      | 1    | Ens échange mécanique (J) / Mechanical assembly (J)                      | <b>3071210039</b> |
|      | 1    | Ens lanterne (P) / Spacer assy (P)                                       | <b>3071210045</b> |
| 353  | 1    | Soufflet d'étanchéité / Oil seal   |                   |
| 351  | 1    | Lanterne / Spacer  |                   |
| 700L | 4    | Vis de fixation lanterne / Spacer screw                                  |                   |
|      | 1    | Moteur / Motor 230v 50hz   | <b>77254</b>      |
|      | 1    | Moteur / Motor 230/400v 50 / 60hz  | <b>77256</b>      |
